

NotePAC III Pro

Military grade laptop designed to be compact with triple displays while maintaining excellent performance.

Meets MIL-SPEC Standards

This fully rugged, aluminum laptop was built for the military to withstand harsh environments. The NotePAC III Pro meets MIL-STD-810G and MIL-STD-901E standards.

Geospatial-Intelligence, C4ISR, and More!

Featuring three high resolution 17.3" displays and a 12-core Intel Xeon processor, the NotePAC III Pro is ideally suited for Geospatial-Intelligence, C4ISR, drone control and any other application that demands rugged reliable processing power in a highly portable package. The addition of a CAC card reader makes securing access much more convenient.
