

# NotePAC III Pro V

Mil-spec laptop with excellent performance and unrivaled connectivity that comes with three tiltable 17.3" full HD displays.

## **Unique Form Factor**

The NotePAC III ProV keeps the powerful performance and integrity of our portable computers while adopting a unique and different design. It utilizes a more notebook-style form factor for a very compact yet versatile design.

## **Meets MIL-SPEC Standards**

This fully rugged, aluminum laptop was built for the military to withstand harsh environments. The NotePAC III ProV meets MIL-STD-810G and MIL-STD-901E standards.

## **Expansion Possibilities**

The NotePAC III Pro V has plenty of expansion space for removable drives and PCIe expansions. Configurable options include 2x 3/4 length PCIe Slots (x16, x8) for add-in graphics, RAID, Network, or other I/O.
